Rep. Tabke Highlights Legislative Achievements

Shakopee, MN - Today, State Representative Brad Tabke (DFL - Shakopee) announced a plan to highlight legislative achievements for House District 55A and Shakopee each day during the month of August.

“Together we accomplished many important goals to better the lives of everyone in our community,” **said Brad Tabke**. “I am extremely proud of the things we have achieved by coming together around our shared values. I look forward to highlighting the results of our effective leadership and continuing to work on behalf of the citizens of Shakopee at the state capitol to tackle the work still ahead of us.”

State Representative Tabke was elected to his first term in the Minnesota House of Representatives in 2018 and was previously the Mayor of Shakopee. During his time in public service, Tabke proved himself to be an effective leader working across the aisle finding solutions for the communities he serves.

Each day in August, the Tabke for Minnesota campaign will release an accomplishment from Rep. Tabke’s first term as a state representative. Media and constituents can follow via social media and at www.TabkeforMN.com/31.
